

Starry Sky Pro Series

Polycarbonate Dome

Catalog Brochure

For Nordic Areas

Design Concept: To improve the staying experience and solve the problem of cold resistance and warmth/sunshade and heat insulation of the polycarbonate dome, we developed this Starry Camp Pro Series Polycarbonate Dome with an all-aluminum frame structure and double-layer hollow insulation.

D5.5m Pro Dome

Basic Datas:

Size: $\phi 5.5\text{m} * \text{H}3.5\text{m}$; Area: 23.5 m^2

Standard Configurations:

Aluminum Alloy Frame Structure

PC Main Dome (Double-layer)

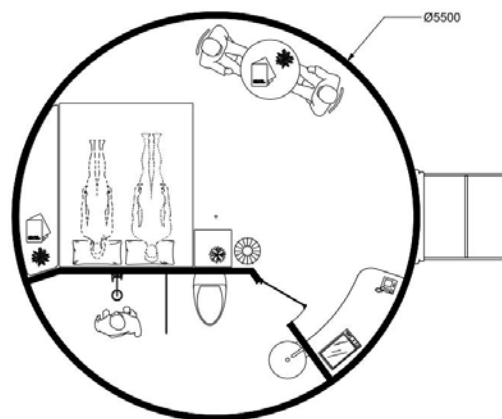

Entrance Porch and Door

Curtain System (Top Electrical Curtain)

Side and base ambient LED Lighting

Window and Exhaust Fan

Power Connection Box

Optional Configurations:

Customized Home Decoration

D6.2m Pro Dome

Basic Datas:

Size: \varnothing 6.2m * H3.68m; Area: 28 m²

Standard Configurations:

Aluminum Alloy Frame Structure

PC Main Dome (Double-layer)

Entrance Porch and Door

Curtain System (Top Electrical Curtain)

Side and base ambient LED Lighting

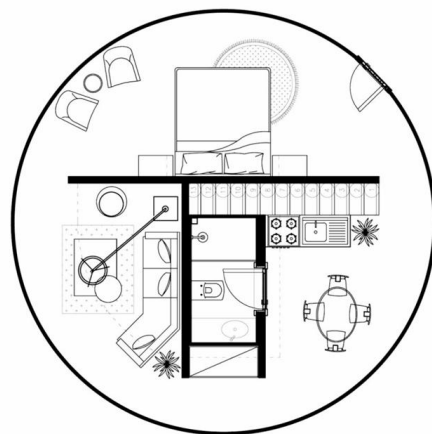

Window and Exhaust Fan

Power Connection Box

Optional Configurations:

Customized Home Decoration

D8.0m Pro Dome

Basic Datas:

Size: $\varnothing 8.0\text{m} * H5.2\text{m}$; Area: 50 m^2

Standard Configurations:

Aluminum Alloy Frame Structure

PC Main Dome (Double-layer)

Entrance Porch and Door

Curtain System (Top Electrical Curtain)

Side and base ambient LED Lighting

Window and Exhaust Fan

Power Connection Box

Optional Configurations:

Customized Home Decoration, second floor

Capsule 3674 Pro Dome

Basic Datas:

Size: L7.4m × W3.6m × H2.7m; Area: 25 m²

Standard Configurations:

Aluminum Alloy Frame Structure

PC Main Dome (Double-layer)

Entrance Porch and Door

Curtain System (Top Electrical Curtain)

Side and base ambient LED Lighting

Window and Exhaust Fan

Power Connection Box

Optional Configurations:

Customized Home Decoration
